

Vision Statement

We will be a Kingdom-minded body created by and belonging to God through faith in Jesus Christ, empowered by the Holy Spirit, like-minded in our love of God and all people. We will reach out in the name of Christ, through Sunday School Outreach, Biblically focused worship, local ministries, and world missions, by proclaiming God's love and saving grace. We will lead believers into a vital relationship with our church by meeting their spiritual and temporal needs as the grace of God enables us.
